COMPANY ORGANIZATION

INTRODUCING TO CRYSTAL DESIGN

Time flies, things may change but the desire to make life better is always there. On the 24th of June, 1997 Crystal Design was founded by an enthusiastic group of art specialists to combine your dreams with our unique and professional design consultancy. Many years have now passed. During this time Crystal Design has been providing designs for a variety of different application: In construction, interior design, decoration, fine art, and with office furniture. All of this work has been accomplished by our talented designers and technicians.

Crystal has accomplished these great achievements through many and varied projects - all with a high degree of customer satisfaction. Crystal Design forms a unique organization by combining Korean design with Vietnamese wisdom and simplicity. Working together enables Crystal to be an international interior design company utilizing the best of both countries. To ensure complete customer satisfaction, we are continually upgrading our products and services
